Honorable William J. Casey
Director
Central Intelligence Agency
Washington, D. C. 20505

Dear Mr. Casey:

STAT On Friday, 16 November 1984, ten members of the FBIS staff under the leadership of [redacted] visited the Institute for National Strategic Studies, National Defense University, at the request of the Deputy Director, Colonel John E. Endicott. The Institute is currently engaged in a review of U.S. policy toward Asia and the Pacific. The visit by analysts who closely follow open source publications from NEA to South Asia provided background material and insights that will be most useful to INSS Fellows as they prepare to brief the Secretary of Defense and the Chairman, JCS on their policy recommendations.

The enthusiasm with which our request for assistance was answered, and the professionalism demonstrated by all concerned reflects extremely well on FBIS specifically and the CIA community generally. Please pass my personal thanks to the individuals listed below for starting off this two-month research effort in the most productive manner possible.

STAT My appreciation to you and to:

Respectfully,
